

CIO / Leadership Mentoring

A CIO's, ACIO's or Director's responsibilities can become overwhelming at times and when someone is thrust into a role or their role significantly changes, those changes can prove challenging. MMY can help ease that transition by working with you and your team to lay out clear objectives and focus on those items that require the most attention. We can also support and manage any operational areas that need attention.

Capabilities

- Interim CIO, CTO, ACIO and Director roles
- Organizational Strategy and Planning
- Controls
- Service Excellence
- Risk Management
- Business Process
- IT Strategy and Planning
- Enterprise Infrastructure and Architecture

We can break down any or all of the above to fit the requirements of the given role.

Benefits

As any new leader assumes a position from within the organization or is brought in from outside it is critical they can traverse the nuances of the role in a reasonable timeframe. Helping them come up to speed faster benefits the employee and the organization.

We've Done IT Before

The average MMY Consultant acquires more than 20 years' experience in his/ her subject area, many having background within major organizations in the US. Having been there and done that provides a sounding board for executives to ensure strategies are well thought out prior to implementation or with just day to day responsibilities. Another voice or set of hands can help alleviate a backlog in operational activities and assist to identify and manage critical events that need to occur.
