

PMO and Project Management

MMY understands the importance of project efforts delivering value quickly and effectively to support our clients' organizational goals. The skilled consultants on the MMY team bring their deep expertise in managing and delivering large-scale, complex systems to ensure successful implementations in even the most demanding environments. They are experts in all phases of the project lifecycle and in facilitating the dialogue needed to drive consensus.

Capabilities

- Complete PMO (Project Management Office) creation and sustainability
- Working Program and PM (Project Managers), if required
- Subject matter experts to support the project or program
- Project and Program Managers that are PMP certified if required
- Supplemental tools and artifacts to support the PMO and PMs

Benefits

Having a solid PM can make or break any project. MMY offers many benefits in the Project Management space, some include the following;

- Diverse experience working with many clients
- Up to date certifications if required
- Industry knowledge
- Consistent artifact delivery

We've Done IT Before

For all initiatives, MMY employs a disciplined technique that provides structure and tools to ensure positive outcomes. Our approach on large projects mirrors the Project Management Institute (PMI) methodology while smaller efforts, or those that pose less risk, will utilize a pragmatic/scaled-down version of the PMI methodology to manage and align work. In all endeavors, MMY staff are nimble and flexible partners focused on delivering top quality results.
