

Go-Live Services

MMY Consulting offers Go-Live Services that provide the program development and management of experienced resources. This comprehensive offering supplies full lifecycle guidance and support leading up to and beyond your organization's Go-Live. Our approach assures the project completely responds to the pre-identified requirements to maximize clinical adoption and acceptance.

Capabilities

- Comprehensive project management, planning, and on-boarding
- Go-Live scheduling and staffing development
- 24/7 at-the-elbow (ATE) support
- Go-Live strategy and roadmap development
- Command center staffing and management
- Training plan development
- Pre-Go-Live training for clinical staff
- Current configuration training for support personnel
- Utilization of change process for identified change requests

Benefits

Go-Live planning, the Go-Live event and post Go-Live support are stressful for the entire organization. Working with a proven partner that has “been there, done that” will help ease the pressure. We bring tools and proven methodologies

We've Done IT Before

MMY's Go-Live management has successfully provided end-to-end solutions including centralized scheduling to multiple clients. The unique approach employed by MMY significantly simplified our clients' end-user support and training schedules. Additionally, MMY's intensive screening, onboarding, scheduling, training, and management of all supplemental resources and their travel logistics resulted in smooth, high-quality deliveries on even the most demanding implementations.

Increasing your confidence by providing a comprehensive approach to Go-Live will create a lasting impression among your end-users ultimately solidifying buy-in and support.
